How many points did your child receive? \_\_\_\_\_

**Mars (Level 1): 0-2 points**

**Jupiter (Level 2): 3-5 points**

**Saturn (Level 3): 6-10 points**

**Neptune (Level 4): 11-13 points**

**Pluto (Level 5): 14-16 points**

This is a guideline to help you decide in which classes your child can be successful.

**This assessment is not intended to restrict children from the appropriate age group or classes of interest. Some students may receive a higher score but prefer to be with students their own age. This is not a measurement of their maturity, only the requisite skills.**

Our teachers *will assume* that all students enrolled in their class have the minimum skills required for that class based on this assessment. Skill levels are listed in course descriptions.

If you would like additional assistance in determining placement, please email us at [info@camphsr.com](mailto:info@camphsr.com).

If your child has special needs that we can help accommodate to allow them to participate in the appropriate age group, please let us know.
